### **DETAILED ACTION**

This action is responsive to applicant's Response to Election/Restriction requirement filed July 1, 2005. Claims 1-17, 19-23 and 25-31 are pending in this application. Claims 1-4 and 13-17 are withdrawn from consideration. Claims 18 and 24 have been cancelled.

### **Rejection Withdrawn**

The rejection under 35 USC 102(e) and 103(a) and the judicially created doctrine of Obviousness Type Double Patenting mailed October 29, 2004 have been withdrawn in view of applicant's arguments filed July 1, 2005.

### ***Election/Restrictions***

Applicant's election with traverse of Group II, claims 5-12, 19-23 and 25-31 is acknowledged. The traversal is on the ground(s) that the application can be examined in its entirety without serious burden to the Examiner. This is not found persuasive because the method steps does not require a motorize device to perform the procedure as recited in claim 1. The motorize device is not limited to a unitary stress incontinence procedure. For these reasons, the examiner believes the Restriction/Election requirement is proper.

Applicant's election without traverse of species Group A, claims 5-12, 19-23 and 25-31 is acknowledged.

The requirement is still deemed proper and is therefore made FINAL.

### ***Allowable Subject Matter***

Claims 5-12, 19-23 and 25-31 are allowable over the art of record.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
